

**PJ GARCIA, Beach Pacific Escrow, Inc.**

PJ grew up in a “Real Estate” family and found her way into escrow shortly after graduating High School. She began her career as a receptionist at a local independent escrow and quickly worked her way to an escrow officer position there before starting her own company. The Garcia’s founded Beach Pacific Escrow, Inc., in 1990.

PJ and her husband Pat have been married for 38 years and business partners for 31 years. The couple have an adult son and daughter, both of whom grew up at the family business, where their son John is now a second-generation escrow officer. PJ’s hobbies, besides being an “escrow geek” and serial volunteer, include reading, movies and camping with family and friends.

PJ has served on the Board of Directors of the Escrow Institute of California, the California Escrow Association and the Long Beach Escrow Association for many years.... and loving it!
